Subject: Found Property – Possibly stolen (Complaint #1765000527)

Date: May 4, 2017

On April 23-2017 at approximately 09:02 pm, Metro Police Authority of Genesee County Officers responded to a homeowner in the 10,000 block of Torrey Road, in Mundy Township, notifying officers he had located a large amount of property in the attic of his barn. The property could have been there from November 2016 until the time of the call. The residence is located on Torrey Road between Baldwin and Ray Road.

It is our belief the property recovered is possibly from burglaries to garages, boats, or sheds. The property included tools, assorted items used for recreational boating, and older model long guns.

One of the guns had hand engraved initials and the date 05/13/49 on it. We are hoping this information on the gun may lead to a victim coming forward. We also hope that homeowners will check their barns, sheds, or boats to see if they are missing any property.

Anyone with information reference this property should contact Detective J Diem at the Metro Police Authority of Genesee County at 810-655-4646 or diemj@metropolicegc.org.

Respectfully,

Det. J. Diem
Metro Police Authority of Genesee County
